Introduction

Welcome to the Charcoal Kings Outdoor Fire & BBQ Collection — where rugged craftsmanship meets modern outdoor living.

Proudly curated by Charcoal Kings, this catalogue showcases a premium range of laser-cut BBQs, firepits, and portable outdoor cooking solutions designed for those who love real fire, real flavour, and real experiences.

Each piece is crafted from heavy-duty steel with precision laser-cut detailing, built to handle the harsh Australian outdoors while delivering reliable performance and standout visual design. From compact portable grills to bold statement firepits, every product is made to be functional, durable, and easy to transport with flat-pack convenience.

Whether you're camping under the stars, entertaining in the backyard, or heading off on a 4WD adventure, the Charcoal Kings range is designed to bring people together around the fire.

Built for heat. Built for adventure. Built for kings of the fire. 🔥
